

# 2009 AWARDS DINNER AND AUCTION

## 75 years of hope for needy families

In 1934, a small group of volunteers decided to step it up, when the economy was down, and meet the needs of struggling individuals during the Great Depression. Now, 75 years later, PACS is stepping up again. This year, despite the weak economy, we aim to raise a record \$75,000 at our dinner & auction to provide food and health care to the growing number of people who are facing financial hardship. By partnering with us in this effort, you will make a huge difference for families who are struggling to make ends meet.
