

2010 Awards Dinner and Auction

Feeding thousands . . . one family at a time

It's not easy to be a single mom working two part-time, minimum wage jobs. And to lose even one of those jobs can be devastating. Today this scenario is a reality for too many people. Your sponsorship provides these struggling families with access to the food and health care they need to stay afloat.

Event Information

The 2010 Awards Dinner & Auction will feature a silent auction, a gourmet meal, a word from special guest Dan Matthews, and an awards presentation. Suggested attire is business-formal. Thank you so much for your involvement!
